OFFICE MEMORANDUM

Subject: Guidelines for qualification of Merchant Banker(s) for Investment & Public Asset Management process.

In order to inspire public confidence in the selection of Merchant Banker(s) through competitive bidding, the Government had framed comprehensive and transparent guidelines defining the criteria for their selection. In addition to using a set of criteria like sector experience, knowledge, commitment etc., additional criteria for qualification/disqualification of the parties to act as Merchant Banker(s) to the Government for disinvestment transactions were prescribed by the Department of Disinvestment vide its O.M. No. 5/3/2011 – Policy dated 2.5.2011.

2. In supersession of the above-mentioned O.M. of this Department, the revised criteria for qualification/disqualification of the parties to act as Merchant Banker(s) for disinvestment transactions would be as under:

- (a) Any conviction by a Court of Law or indictment/adverse order by a regulatory authority for a grave offence against the Merchant Banker concern or its sister concern would constitute a disqualification. Grave offence would be defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of offence would be taken on a case-to-case basis after considering the facts of the case and relevant legal principles by the Government. Similarly, the decision in regard to the relationship between the sister concerns would be taken based on relevant facts and after examining whether the two concerns are substantially controlled by the same person/persons.
- (b) In case such a disqualification takes place, after the entity has already been

appointed as Merchant Banker, the party would be under an obligation to withdraw voluntarily from the disinvestment, failing which the Government would have the liberty to terminate the appointment/contract.

- (c) Disqualification shall continue for a period that Government deems appropriate.
- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all the Merchant Bankers already appointed by the Government for various disinvestments, which have not yet been completed.
- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expressions of Interest (EOI) from the interested parties to act as Merchant Banker. Further, the interested parties shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against the CEO or any of its Directors/Managers/Employees, full details of such investigation including the name of the investigating agency, the charge/offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, similar undertaking will be obtained along with EOI. They would also have to give an undertaking that if they are disqualified as per the prescribed criteria, at any time before the transaction is completed, they would be required to inform the Government of the same and voluntarily withdraw from the assignment.
- (h) The interested parties would also be required to submit a list of or disclose any mandated transactions which are in the same line of business as that of the company (being disinvested) in respect of any transaction of same nature as the transaction for which the Government and/or the Company (being disinvested) is proposing to select or have appointed the Merchant Bankers and confirm in writing that there exists no conflict of interest as on the date of submitting their proposal for appointment/ their appointment as Merchant Bankers in handling of the transaction and that, in future, if such a conflict of interest arises, the Merchant Banker would immediately intimate the Government/Company (being disinvested) of the same.

The Government/Company (being disinvested) shall at its sole discretion after

providing due and reasonable opportunity decide whether such future conflict of interest shall materially adversely affect the interest of the Government and the Company (being disinvested) in relation to the transaction and shall be entitled to grant the consent to the Merchant Banker to continue as Merchant Banker or terminate the appointment of the Merchant Banker. For disinvestment purposes, conflict of interest is defined to include engaging in any activity or business by the

Merchant Banker in association with any third Party, during the engagement, which would or may be reasonably expected to, directly or indirectly, materially adversely affect the interest of Government of India and/ or the Company (being disinvested) in relation to the transaction, and in respect of which the Merchant Banker has or may obtain any proprietary or confidential information during the engagement, that, if known to any other client of the Merchant Banker, could be used in any manner by such client to the material disadvantage of Government of India and/ or the Company (being disinvested) in the transaction.

- (i) The conflict of interest would be deemed to have arisen if any Merchant Banker in respect of the transaction is appointed by a third party for advising or acting on behalf of or associated with any other person or entity (including any company, partnership, proprietary concern or individual or an HUF or association of persons or body of individuals) which is engaged in the same line of business as that of the Company (being disinvested), in respect of any transaction of same nature as the transaction for which the Government and/or the Company (being disinvested) is proposing to select or have appointed the Merchant Banker. Further, the decision of the Government/Company (being disinvested) as to whether such other person or entity is engaged in the same line of business as that of the Company being disinvested, shall be final and binding on the Merchant Banker.
- (j) The conflict of interest would also be deemed to have arisen if any Merchant Banker firm/ concern has any professional or commercial relationship with any bidding firm/ concern for the same disinvestment transaction during the pendency of such transaction. In this context, both Merchant Banker firm and bidding firm would mean the distinct and separate legal entities and would not include their sister concern, group concern or affiliates etc. The professional or commercial relationship is defined to include acting on behalf of the bidder or undertaking any assignment for the bidder of any nature, whether or not directly related to disinvestment transaction. (This clause is applicable in strategic sale only).
- (k) The interested parties would also be required to give information and disclose that as on the date of submitting their proposal for appointment/ their appointment as Merchant Bankers in respect of the transaction, they are advising or acting on behalf of or associated with any other person or entity (including any company, partnership, proprietary concern or individual or an HUF or association of persons or body of individuals) which is engaged in the same line of business as that of the Company (being disinvested), in respect of any transaction of same nature as the transaction for which the Government and/or the Company (being disinvested) is proposing to select or have appointed the Merchant Banker.

- In the event the Merchant Banker fails to disclose that it is advising or acting on behalf

of or associated with any other person or entity which is engaged in the same line of business as that of the Company (being disinvested), in respect of any transaction of same nature as the transaction for which the Government and/ or the Company (being disinvested) is proposing to select or have appointed the Merchant Banker, at the time of giving the afore-mentioned undertaking, the Government/Company (being disinvested) shall be entitled to terminate their appointment. Before terminating the appointment, a show cause notice stating why its appointment should not be terminated would be issued giving it an opportunity to explain its position.

- (l) For a period commencing from the date of appointment of the Merchant Banker till the completion of the transaction, the Merchant Banker shall keep the Company/ Government informed of any mandate/contract entered into to advise or act on behalf of or associate itself with, any other person or entity (including any company, partnership, proprietary concern or individual or an HUF or association of persons or body of individuals) which is engaged in the same line of business as that of the Company being disinvested, in respect of any transaction of same nature as the transaction in respect of which the Merchant Banker has been appointed as the Merchant Banker. Provided that, if six months or more have elapsed from the date of appointment as Merchant Banker to the government disinvestment transaction, the Merchant Banker would normally be permitted by the Government/Company (being disinvested), save for exigent circumstances. The decision of the Government/Company (being disinvested) in this regard shall be final and binding on the Merchant Banker. Further, the decision of the Government/Company (being divested) as to whether such other person or entity is engaged in the same line of business as that of the Company being disinvested, shall be final and binding on the Merchant Banker.
- (m) For the purpose of clauses (k) and (l) above, the 'nature' of transaction may include, but not be limited to, a capital market transaction which in turn could include, but not be limited to, a domestic offering of shares or any other security, whether by way of initial public offer or further public offer or qualified institutions placement or issue of IDRs or by any other manner, as well as the international offering of securities, whether by way of issue of ADRs, GDRs or FCCBs or by any other manner.
- (n) In the event the Merchant Banker fails to obtain the prior written consent of the Government/Company (being disinvested) as aforesaid, the Government/ Company (being disinvested) shall be entitled to terminate the appointment of the Merchant Banker. Before terminating the appointment, a show cause notice stating why its appointment should not be terminated would be issued to the Merchant Banker giving it an opportunity to explain its position.
